## GENERAL INFO :

**LAKC runs under 2010 IKF and 2010 ROTAX rules where they apply.**

MANDATORY drivers meeting. Random roll call will be done; anyone absent from the drivers meeting will start the MAIN EVENT from the back. Kids kart class gas will be provided, come to the grid area with a dry tank. All other classes be familiar with the 2010 fuel and tire rules for your particular class. One complimentary fuel check is available. Scale weight is the official weight for that day. No driving on the scales or in the pit area. Remember all self pre-tech items must also pass post tech inspection to receive race awards upon passing all inspections. Protest forms are available at the scales and must be completely filled out and presented to David Jimenez, Guy Keese, or the post tech official within 30 minutes of the end of that class. Absolutely no gas cans are to be left at the track.
