

## LAKC Presents the KAL-GARD CHALLENGE

We want to introduce everyone to the latest program LAKC is offering for the Spec Honda and Open Shifter classes.

The Kal-Gard Challenge

The purse will be a minimum of \$4,800.00 to be split between 2 classes at the end of the season. It will be paid to the top three drivers in both the Spec Honda and Open Shifter classes.

- 1st place \$1,200.00
- 2nd place \$700.00
- 3rd place \$500.00
- (1) bottle of Kal-Gard 2 stroke oil will be provided by LAKC for \$20.00 dollars which will be added to your entry fee at each event. Kal-Gard will be the spec. oil for both these classes.
- The first race of the Challenge is March 21, 2010 and will continue for the rest of the LAKC 2010 series. Your LAKC membership needs to be paid by the April race to qualify for the purse.
- The points will be based on your overall race day NOT just your main event. Points will be calculated using the Kal-Gard formula and will be based on your qualifying time as well as heat and main event finishing positions.
- You will be allowed (1) drop. A flagrant post tech DQ or Rough driving DQ will be scored as zero points and cannot be used a drop.
- All other DQ's will be scored as last place points and can used as a drop.
- All other LAKC Class Structure rules apply.
- The Kal-Gard formula table is below.
